

## Manual wing pump

**For spraying primer and bitumen emulsions**

- Robust, powerful manual wing pump for pu viscosity of about 75 m Pas
- Large pressure tank. Capacity approx 27
- The hobbock with the spray is placed on th chain.

## Manual wing pump

### Technical details:

| Description                         | Manual wing pump   |
|-------------------------------------|--------------------|
| Item no.                            | 5121 0000          |
| Output                              | 27 L/min           |
| Approx. length                      | 700 mm             |
| Approx. width                       | 870 mm             |
| Approx. height                      | 1410 mm            |
| Approx. deadweight                  | 33 kg              |
| <b>Accessories:</b>                 |                    |
| 10 m spray hose 1" / 3/4"           | Item no. 1611 0000 |
| 5 m spray hose 1" / 3/4"            | Item no. 1612 0000 |
| Spraying-lance 3/4" with nozzle 3.0 | Item no. 1621 0000 |
