

GRACO TAPELAZER™ HP AUTOMATIC

MAKING TAPE LINE MARKING USER-FRIENDLY AND COST EFFECTIVE.

Apply tape automatically with the comfort and productivity of a large taper truck and the accuracy of a walk-behind taper with Graco's TapeLazer HP Automatic.

MAIN ADVANTAGES OF THE TAPELAZER™ HP:

REDUCED DOWNTIME WITH THE QUIKCHANGE™ OIL-FREE, SINGLE BLADE DESIGN

FAST TAPE LOADING SYSTEM DESIGNED FOR EASY TAPE LOADING AND BETTER ALIGNMENT FOR STRAIGHTER LINES

ADJUSTABLE CARRIAGE ALLOWS YOU TO DRIVE CLOSE TO THE ROAD EDGE

INCREASED PRODUCTIVITY WITH LINEDRIVER™ OPTION

HP Automatic system

Start/stop with push of a button and auto-skips!

EZ Load tape system

Tool-less locator collars and EasyMark™ guides for fast, accurate tape loading

Precision-cut technology

2-step cut process for optimal cut and best possible adhesion of tape to the road

Ultra-flex rollers

Segmented for optimal tamping into grooves

Adjustable carriage

Allows tape to be applied within 8 cm of a road edge

Dual swivel wheels

Keeps wheels out of the primer and rocks out of the tape

QuikChange™ no-stick blade

Fast blade changeout keeps you running

Double your productivity

Add a LineDriver, gas or electrical, for unmatched performance.
